Big news with Greystone Programs!

Our CEO, Angelo, has recently concluded a commendable second term as President of Greystone Programs, where he served with distinction and unwavering dedication. While Angelo has completed his tenure as President, his journey with Greystone Programs is far from over. He remains deeply committed to the cause and will continue to play a pivotal role in the organization's future, now serving as Treasurer. His ongoing involvement ensures that his expertise and passion will continue to benefit the program and its important mission.

A Letter From **Our CEO**

Summer is just around the corner, and we're thrilled to be a part of all the wonderful events you're planning! Please share your event details with us via our website or to my email directly so we can make sure to support you and bring resources to your organization in any way we can!

Thank you for being an integral part of our HRLTCP community. We're here for you, committed to communicating, innovating, and ensuring your needs are met at every turn.

***Yours in Health,
Angelo Angerame***

Upcoming Events with Hudson

At Hudson Regional LTC Pharmacy one of our favorite things is participating in events put on by our agencies and partners. We cherish the opportunity to connect with our community and invite you to join in on all the fun too!

The Arc Mid-Hudson Wine & Dine *Friday, April 12th*

Join us for an amazing experience at an amazing four-course dinner with wine pairings courtesy of Stone Ridge Spirits & Wine, entertainment, and an exclusive auction, while being treated to a performance by Ian Flanigan, all in support of The Arc Mid-Hudson.

Remember, your events are the heartbeat of our community! At Hudson Regional LTC Pharmacy, we're enthusiastic about supporting and participating in the gatherings that you bring to life.

Let's continue to collaborate and make each event a success. We can't wait to be a part of your next celebration!

Welcome to the Head Injury Association!

We are excited to announce that the Head Injury Association, a dedicated advocate for individuals with brain injuries based in Hauppauge, Long Island, has chosen Hudson Regional LTC Pharmacy as their trusted pharmacy services provider. We are honored to have the opportunity to serve such a respected organization and to play a role in supporting the essential work they do.

We invite our community to join us in welcoming the Head Injury Association to the HRLTCP Family. This collaboration reflects our ongoing commitment to enhancing health care and supporting organizations that make a significant impact on the lives of others. We are proud to be associated with such a vital service and look forward to a great relationship.

As we embark on this exciting new chapter, we continue to stay committed to delivering the highest quality of care and pharmacy services, ensuring that we not only meet but exceed the expectations of the communities we serve. Together, we will continue to uphold our commitment to enhancing healthcare, supporting vital organizations, and making a significant difference in the lives of those we serve.

Thank you for your continued trust in Hudson Regional LTC Pharmacy. Your support enables us to expand our services and support to organizations like the Head Injury Association, furthering our mission to provide exceptional care and support to all of the agencies we represent.

Navigating the Early Start of Tick Season

The beginning of this season brings an early arrival of ticks due to the mild El Niño winter, and we want to make sure your time outdoors is both enjoyable and safe.

This year's premature tick presence escalates the potential for Lyme disease, anaplasmosis, and other tick-borne infections. But no need to worry—armed with simple preventative measures, we can coexist safely with these tiny yet impactful creatures.

HERE ARE SOME TICK SAFETY TIPS FROM THE HRLTCP TEAM:

USE REPELLENTS:

Apply tick repellent with DEET or picaridin, similar to sunscreen, to keep ticks away. Treating clothes with permethrin is also effective.

DRESS WISELY:

Wearing long sleeves and pants can protect you, and light colors help spot ticks more easily.

STICK TO PATHS:

During outdoor activities, avoid tall grass and leafy areas by staying on trails.

CHECK FOR TICKS:

Make checking for ticks a routine after being outdoors. Don't forget to check your kids and pets too. If you find a tick, don't panic, remove it with fine-tipped tweezers and clean the area. Quick removal is crucial.

At Hudson Regional LTC Pharmacy, we believe that a bit of preparation can help us all enjoy the beauty of our area safely. Stay alert and prepared as we venture into the outdoors this season.

For more information or tips on preventing tick bites, feel free to visit our website or contact us.

Stay safe, be smart about ticks, and keep enjoying the outdoors!

Expect More. Worry Less.

Switching Long Term Care Pharmacies Can Seem Daunting.

We understand that if your facility is at a place to make the move, things aren't going the way they should be. Our team members are experts at prescription transferring, facility/pharmacy transitioning, training, and ensuring your pharmacy needs are met with excellence and consistency.

These are improvements your facility will notice when making the switch to Hudson Regional LTC Pharmacy.

There is no delay.

Your residents will receive their prescriptions when needed and on time.

A friendly voice.

We listen to your problems and do our best to solve them immediately.

LTC nurses can focus on patient care, not pharmacy issues.

We want your medical staff to do what they do best, care for patients. Your nurse administration staff shouldn't have to worry about pharmacy problems or worry if prescriptions will be delivered.

Positive pharmacy experience.

Our team is here to serve your facility, your staff, and your residents. It's hard to put a value on excellent care until you don't have it.

Staff time is spent with residents.

We don't want your staff stuck on the phone trying to figure out where Medication Administration Records are, or when you will receive them. You can count on MARs to show up the same day every month with Hudson Regional LTC Pharmacy.

Training Provided

We know the process of reordering medications can be burdensome. That's why we supply all of our new facility partners with an ample amount of training on our web portal to fit your needs. Here's what you can expect during the training process:

- Connecting our nurse consultants with your agency's nurses and staff on a Zoom call to introduce one another and the web portal.
- Weekly, monthly, or as-needed trainings.
- A training manual with detailed step-by-step directions of the web portal.
- Access to our nurse consultants and team to troubleshoot any questions.

With Hudson Regional LTC Pharmacy's Web Portal, reordering medications can be done in only 15 minutes each week!

Call Us Today to Discover the Difference in Your Pharmacy Care.
